PROVIDING FOR CONSIDERATION OF H.R. 2563, BIPARTISAN PATIENT PROTECTION ACT

Mr. GOSS. Mr. Speaker, by direction of the Committee on Rules, I call up House Resolution 219 and ask for its immediate consideration.

The Clerk read the resolution, as follows:

H. RES. 219

Resolved, That at any time after the adoption of this resolution the Speaker may, pursuant to clause 2(b) of rule XVIII, declare the House resolved into the Committee of the Whole House on the state of the Union for consideration of the bill (H.R. 2563) to amend the Public Health Service Act, the Employee Retirement Income Security Act of 1974, and the Internal Revenue Code of 1986 to protect consumers in managed care plans and other health coverage. The first reading of the bill shall be dispensed with. All points of order against consideration of the bill are waived. General debate shall be confined to the bill and shall not exceed two hours equally divided among and controlled by the chairmen and ranking minority members of the Committees on Energy and Commerce, Education and the Workforce, and Means. After general debate the bill shall be considered for amendment under the five-minute

rule. The bill shall be considered as read. No amendment to the bill shall be in order except those printed in the report of the Committee on Rules accompanying this resolution. Each such amendment may be offered only in the order printed in the report, may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against such amendments are waived. At the conclusion of consideration of the bill for amendment the Committee shall rise and report the bill to the House with such amendments as may have been adopted. The previous question shall be considered as ordered on the bill and amendments thereto to final passage without intervening motion except one motion to recommend with or without instructions.

The SPEAKER pro tempore (Mr. FOSSELLA). The gentleman from Florida (Mr. GOSS) is recognized for 1 hour.

Mr. GOSS. Mr. Speaker, for the purpose of debate only, I yield the customary 30 minutes to the gentlewoman from New York (Ms. SLAUGHTER), pending which I yield myself such time as I may consume. During consideration of this resolution, all time yielded is for the purpose of debate on this issue only.

Mr. Speaker, the legislation before us is a structured rule providing for the consideration of H.R. 2563, at last. It provides 2 hours of general debate equally divided and controlled by the chairmen and the ranking minority members of the Committee on Energy and Commerce, the Committee on Education and the Workforce, and the Committee on Ways and Means, the three committees of jurisdiction.

The rule waives all points of order against consideration of the bill and makes in order only the amendments printed in the Committee on Rules report accompanying the resolution. It further provides that the amendments printed in the report may be offered only by a Member designated in the report, shall be considered as read, shall be debatable for the time specified in the report equally divided and controlled by the proponent and opponent, shall not be subject to an amendment and shall not be subject to a demand for division of the question in the House or the Committee of the Whole.

The rule waives all points of order against the amendments printed in the report and provides one motion to recommit with or without instructions.

In fact, it is pretty standard and fair in terms of rules on this type of matter. What is unique is the long, long preparation, the participation of so many Members to bring this legislation to the floor. We believe on the Committee on Rules that we have crafted a good rule to have full debate for the balance of the day and probably into the early evening.

We have three major amendments with time specified of 40 minutes for one, 40 minutes for another and 60 minutes for another. Members having done
